AFFIDAVIT

COMMONWEALTH OF PENNSYLVANIA)
) SS:
COUNTY OF PIKE)

I, the undersigned, hereby represent to Dingman township and the Dingman Township Sewage Enforcement Officer that:

1. I have been certified by the Pennsylvania Department of Environmental Protection as a Sewage Enforcement Officer or I am a Pennsylvania Licensed Professional Engineer or Registered Surveyor qualified to design systems for sewage disposal; and,

2. That my certification or license is not presently subject to a revocation or suspension procedure; and,

3. That the attached design is in accordance with the appropriate regulations of the Department of Environmental Protection; and,

4. That an inspection of the site has been performed and the location and design of the system meets all Department of Environmental Protection requirements for site location, isolation distances, soil tests, percolation tests, absorption area, sewage flows and any other applicable standards of the department. Except for the following:
   _____
   _____
   _____
   _____

This affidavit is made to induce Dingman Township and the Dingman Township Sewage Enforcement Officer to issue a permit in accordance with the design submitted to me. It is made based upon knowledge, information, and belief of the affiant.
